Dear Roger:

Many thanks for being such a wonderful ambassador for Louisville! I read in the Courier-Journal the Letter-to-the-Editor praising Thunder over Louisville and singling you out for special recognition.

Sometimes we don't realize that the simple kindnesses that we do every day have such a positive impact on people. Your knowledge, patience and support meant a lot to a visiting family and it means a lot to all of us. Thank you again.

Sincerely,

Jerry E. Abramson
Mayor
